

August 16, 2019

Dear NIS Families:

Thank You

We appreciate your attendance at Student Orientation on Tuesday. The orientation is an essential foundation for the new academic year. In addition to meeting the teachers and receiving important school information about NIS, we use this event to re-establish our partnership with you as we work together on “doing what is best for kids.”

Parent, Teacher, Student, Assembly (PTSA)

Our first PTSA meeting will be held on Thursday, August 22 at 2:00 pm in our new Multi-C 215 – Multipurpose Room. The meeting has been scheduled to accommodate after school pick-up of your children. We hope you will be able to attend and by doing so become actively involved in the shared decision-making process at NIS.

Our agenda for this day will include the following:

- WASC Review
- Child Protection Information
- The New Health Curriculum
- Family Fun Day

PTSA Mission

The PTSA mission has four specific objectives; (1) to maintain good and effective relationships between parents, teachers, staff, and students; (2) engage in activities which support the school and the education of the students; and (3) provide services, raise funds, and such functions as are necessary in the execution of the stated objectives of the school.

WASC Accreditation Visit

On October 6-10, a four-person WASC Visiting Committee will be on the NIS campus. One important part of their visit will be to meet with parents in order to understand your perceptions regarding student outcomes, student welfare, teachers and staff as well as schoolwide communication. **On August 20 at 3:00 pm in Room c 215, WASC Coordinator Mr. Kevin and College Counselor Ms. Amy will be presenting an overview of the procedures concerning the visit. We hope you will be able to attend!**

Get Involved

Parent involvement is vital to NIS. We need your help as school and project volunteers, support with fund raising efforts, and as our “sounding board” for school improvement. Every parent and every member of our school community is needed to accomplish the vision, mission, and goals of Nakornpayap International School.

I encourage you to become actively involved with the PTSA. Research studies show that children whose parents are involved in their school make better grades and have fewer disciplinary problems. In addition, there’s no better way to know what’s going on in the school than to attend the PTSA meetings.

Remember, when you are involved we do our very best!

Sincerely,

Mr. Steve
Principal
NIS
