

Important Information for students taking the Digital SAT at NIS on June 3, 2023

Test-takers must read the information below and bring the requested documentation in order to be granted entry into the test center.

What to Bring on the Digital SAT Test Day

- Your fully charged testing device with the Bluebook™ application installed.
- Face covering
- Your up-to-date admission ticket. (You need to print this out.)
- Acceptable photo ID
- Pencils or pens for scratch work.
- An acceptable calculator for use on the Math section of the test (there will be an embedded calculator available to use within Bluebook).

Prohibited Devices

- Mobile phones, smartwatches, fitness trackers, or other wearable technology (simple digital non-smartwatches or analog watches are acceptable)
- Audio players or recorders, tablets, laptops, notebooks, Bluetooth devices (such as wireless earbuds/headphones), or any other personal computing devices
- Separate timers of any type
- Cameras or any other photographic equipment
- Pens, highlighters, or mechanical or colored pencils
- Books or references of any kind except as approved as an English language learner support for in-school administrations
- Compasses, rulers, protractors, or cutting devices
- Papers of any kind, including scratch paper
- Earplugs
- Unacceptable calculators that have computer-style (QWERTY) keyboards, use paper tape, make noise, or use a power cord
- Weapons or firearms

Doors open at 7:45 a.m. Doors close at 8:00 a.m.

You can't be admitted once testing has started.

If you feel sick the day of your test, please stay home. Contact the College Board for your options.

Please contact our SAT Coordinator (sat@nis.ac.th) if you have any questions.
