
Important Information for students taking the Digital SAT Pilot at NIS on January 28, 2023

Test-takers must read the information below and bring the requested documentation in order to be granted entry into the test center.

What to Bring on the Digital SAT Pilot Test Day

- Your fully charged testing device with the Bluebook™ application installed ([see detailed device requirements](#)).
- Face covering.
- Your up-to-date admission ticket.
- Acceptable photo ID.
- Pencils or pens for scratch work.
- An acceptable calculator for use on the Math section of the test (there will be an embedded calculator available to use within Bluebook).

Prohibited Devices

- Mobile phones (which can be used to present the admission ticket, but after check-in must be collected or stored away from desks), smartwatches, fitness trackers, or other wearable technology (simple digital non-smartwatches or analog watches are acceptable)
- A second laptop, other computer, or tablet
- Audio players or recorders, notebooks, Bluetooth devices (such as wireless earbuds/headphones), or any other personal computing devices not used as the testing device.

If you have to bring any prohibited devices mentioned above to the test center, they must be deposited at the registration desk. You should arrive NIS between 7:15 and 7:45, early arrival is recommended.

You can't be admitted once testing has started.

If you feel sick the day of your test, please stay home. Contact the College Board for your options.

Please contact our SAT Coordinator (sat@nis.ac.th) if you have any questions.
